2020

Covid-19 Parade Rules

- Participants **Must wear masks** when on Redwood Acres property and also when they are in their vehicles or on their floats during the parade.
- Social gatherings will not take place at Redwood Acres before or after the parade.
- Floats will be limited to single household groups, or to no more than three households, per State Guide for gatherings. (No more than three households per float.)
- Parade participants **Must remain** in their vehicles or on their floats after the final construction of their float.
- We will do our best to stagger arrival times of participants to minimize the number of people arriving at the same time.
- Bull horns will be used to direct participants during the set-up phase prior to the start of the Parade.
- Let's all of us work together to make the "Rex and Friends Christmas Trucker's Parade" a success despite the Covid-19 Global Pandemic.
